Dear GOA-ON North American Hub Members:

This is a follow-up to our June meeting discussion about the in-person GOA-ON North American Hub meeting at the University of Delaware campus—College of Earth, Ocean and Environment on **17-18 January 2024**. The meeting will be held at [Robinson Hall](#) Room 206. The Steering Committee is planning the agenda and will provide you with the detailed draft agenda (see attached) with this e-mail. We will be supporting face-to-face and virtual participation but would prefer to have you participate in person so we can have a robust discussion of the agenda items.

Below is the travel and logistics information for the meeting. Dr. Wei-Jun Cai will be the Host for the meeting. We recommend that you make your own travel arrangements for airfare, transportation, and hotel. For local information please contact: Sonya Yasack (sonya@udel.edu) or Taylor Link (taylink@udel.edu). For lunch, we will walk to the university's Perkins Student Center Cafeteria (5 min) or to main street (10 min). Everyone will cover their own lunch. Coffee and tea will be provided during the breaks. For the evening of January 17th, we are planning a group dinner in one of the local restaurants. Please contact Sonya or Taylor if you plan to attend the dinner so we can make the reservations. Everyone will pay for their own dinner.

Please put this save-the-date notice on your calendars and let us know if you are coming to the meeting.

Best regards,

Richard A. Feely
Helen Gurney-Smith
Jose Martin Hernandez-Ayon
Brent Else
Jan Newton
